

IT DOES NOT NEED TO BE “WAR & PEACE”

Writing Saturdays for Graduate Students

Whether you're just beginning your thesis or dissertation, nearing your defense, or finishing an early draft, the Graduate School's "Writing Saturdays for Graduate Students" will provide you with a community of writers committed to academic success. Because graduate students have high expectations for quality research and writing, this ongoing support throughout the writing process will be especially useful.

There will be a designated quiet space for you to bring your laptop and write freely. The Graduate School will also have a monthly faculty presentation regarding various topics that are pertinent to your academic success.

This event is open to all graduate and professional students. **No RSVP required for this event.**

Sessions will be held the **following Saturdays:**

June 27, July 25, August 29, September 26 and October 31
