

**RESOLUTION TO SUPPORT NEW CAMPUS RESOURCES FOR CAREER SERVICES FOR GRADUATE STUDENTS**

**WHEREAS**, students of graduate degree programs at the University of Missouri require specialized guidance in career planning and in their employment search both during and immediately following their enrollment at the University of Missouri; and

**WHEREAS**, the Career Center of the University of Missouri substantially lacks capacity, programming, and staff resources suitable to support graduate students in the specific needs of their career planning and search;

**BE IT RESOLVED** that the University of Missouri Graduate Faculty Senate urges the University of Missouri-Columbia to provide financial support for the establishment and maintenance of Career Services office within the Graduate School.
