

# TIGERVIEW CAMPUS VISITATION PROGRAM

The University of Missouri is committed to increasing diversity and inclusion to the Mizzou campus by seeking to achieve a diverse educational environment. The **TigerView Campus Visitation Program** aims to prepare participants to successfully apply to the graduate program of their choice, explore the opportunities for research and academic growth available at Mizzou, and engage participants in social activities, tours, and interaction with current faculty, administrators, staff, and graduate students connected to one's area of interest.

**2022 TigerView** participants will engage in virtual workshops on Friday, September 23, and arrive on Columbia MO on Sunday, September 25 in preparation for the visit on Monday, September 26. Return travel will be scheduled for September 27.

# TIGERVIEW CAMPUS VISITATION PROGRAM

**Program Information:** The Graduate School pays all costs associated with official events of the visit (i.e., travel, lodging, tours, and meals in Columbia). Participation in the program does not guarantee acceptance into the graduate degree program in which one is interested.

**Application Deadlines: Priority deadline is 11:59 PM (Central Time), July 24<sup>th</sup>. Deadline is 11:59 PM (Central Time), July 31st, 2022.** The program seeks applications from U.S. citizens or permanent residents attending or who have graduated from a U.S. college or university.

Members of racial or ethnic groups underrepresented in graduate education (i.e., Black/African Americans, American Indians, Alaska Native, Hispanic/Latinx, or Native Pacific Islander) are strongly encouraged to apply.

First-generation college students (including Ronald E. McNair Scholars) are strongly encouraged to apply.

Program space is limited; the focus is on applicants:

- with expected graduation date by May or Summer 2023;
- or who have earned their bachelor's or master's degrees;
- and who will contribute to diversity and inclusion at Mizzou.

To apply, please visit the TigerView [webpage](#) to [apply](#) (choose TigerView Application). Applicants must include the following in their online application:

1. Statement of Purpose, that consists of
  - why you are interested in the specific MU graduate program;
  - and your academic and personal background that prepared you for your chosen field.
2. A Diversity Statement, that consists of your philosophy of [inclusive excellence](#). It may include experiences you have being a member of an underrepresented group in your discipline as well as ways you have applied an inclusive framework to past activities and engagements.
3. A Resumé or CV
4. An official or unofficial Academic Transcript(s)
5. At least one Letter of Recommendation that addresses why you are a good match for the graduate program in which you are interested.
  - Please note: the letter should not address why you are applying to the TigerView Campus Visitation Program.

Send questions to Dr. Raquel Arouca (Director of Recruitment, Retention, and Diversity Initiatives) at [MUGradCIE@missouri.edu](mailto:MUGradCIE@missouri.edu). For more information, go to MU Graduate School [webpage](#).

We are committed to everyone's health and well-being. We will continue to monitor public health updates around COVID-19, including the review of federal guidance around domestic travel and adhering to University policies on hosting large gatherings and domestic travel.
