

Postdoc Opportunities - 10/04/2022

Sarveswaran, Valli <v.sarveswaran@missouri.edu>

Tue 10/4/2022 10:40 AM

To: MU PostDoc Scholars <gc_postdocscholars@missouri.edu>

Dear MU postdocs,

Find below some useful information for you. The new opportunities that I have not shared before are in [blue](#).

Postdoctoral Faculty Mentor Award

This award represents an appreciation for a MU faculty mentor who has demonstrated either a profound, sustained, or leadership contribution to improving the postdoctoral experience. The nomination must be made by a postdoctoral scholar. This is a great opportunity to acknowledge a faculty mentor who goes above and beyond to support you (mentee). Click [here](#) to see the details.

- The due date for the award is fast approaching (December 1, 2022).

MU Postdoctoral Research Grant

The grant awards help defray the costs of conducting a clearly defined research project that is not financially supported by other grants, faculty members, or their department/division. The research project should be led by the postdoctoral scholar and represent a contribution to their independent research program.

- Applications are due by Tuesday, November 1 by 5:00 PM. For more details and application materials, click [here](#).

MU Postdoctoral Association (MUPA) Travel Awards

MU postdoctoral scholars may receive up to \$300 towards costs for attending any Meeting/Conference and/or training program taking place from September 1st, 2022, to December 31st, 2022.

- Deadline: 5 pm on November 1, 2022. For more details and application materials, [click here](#).

External Awards, Fellowships, & Prizes

- [Cell Bio 2022 Travel Grants](#)
 - The travel grant, sponsored by IPERT/NIH, is a MAC grant for underrepresented minorities. These grants cover up to \$1,800 depending on existing funding applicant must attend the meeting.
 - Also, applications are now open and approved applications will be reimbursed for childcare expenses to attend the ASCB (American Society for Cell Biology) 2022 Cell Bio. Click [here](#) for more info. The deadline for the Familycare Grant is October 14
 - Deadline: October 14, 2022
- [NSF Earth Sciences Postdoctoral Fellowships](#)
 - Deadline: November 2, 2022
- [Postdoctoral Research Fellowships in Biology](#)
 - Deadline: November 3, 2022
- [Ocean Sciences Postdoctoral Research Fellowships \(OCE-PRF\)](#)
 - Deadline: November 15, 2022
- [Fellowship Training Research Proposals - Morris Animal Foundation](#)
 - [Apply here](#).
 - Deadline: December 2, 2022
- [Postdoctoral research fellowships funded by the Office of Polar Programs](#)
 - Deadline: February 6, 2023
- See more funding opportunities [here](#) and search [Pivot](#). Pivot is a searchable database of funding opportunities that also helps identify potential collaborators. You can also create alerts based on keywords and areas of interest.

Presentations/Workshops

- MU Employee Assistance Program (EAP) hosts stress reduction classes
 - Click [here](#) for the EAP website and [here](#) for more information about each session.
 - Oct. 11, 12:00 p.m. — Guidelines for Love
 - Oct. 25, 12:00 p.m. — Parenting – Raising Children
 - Nov. 8, 12:00 p.m. — Emotional Intelligence
 - Nov. 22, 12:00 p.m. — Working with People in Crisis
 - Dec. 7, 12:00 p.m. — Managing Stress in Organizations
 - Dec. 21, 12:00 p.m. — Managing in Times of Change
 - Remember, MU postdocs are eligible for services offered by MU Employee Assistance Program.
- [Recruiting Scientists: An Employer Perspective](#)

- The recruitment market for scientists and other PhDs working at science-focused enterprises is vast and highly competitive. Yet prospects for graduates across many fields of expertise has never been better. What does it take to prepare for, and succeed in landing a meaningful job in this industry? What are the prospects for current graduates? Dr. Anne Meyer-Mineris a Scientific Recruiter at STEMCELL Technologies and brings first-hand experience in developing employer partnerships and helping scientists find meaningful jobs in industry. During her graduate degree, she was also an executive lead for the Life Sciences Career Development Society and currently is an active member of the Graduate Career Consortium.
 - Go to [versatilephd](#) for more information.
 - October 12, 2 pm CT. [Zoom link](#).
- How to Engage in Healthy Conflict
 - In this webinar, you will learn:
 - How conflict-management is an essential part of thriving in the Academy?
 - How to decide when to push back and when to pull back in the face of conflict.
 - The difference between healthy and unhealthy conflict.
 - How to get clear about the role that power plays in resolving departmental conflicts.
 - Ten tips for engaging in healthy conflict
 - The University of Missouri is an institutional member of the National Center for Faculty Development & Diversity (NCFDD), and as such you get a free account. If you have not registered with NCFDD yet, click here to register. Click [here](#) to watch the previous workshops.
 - Thursday, October 13, 1-2 pm. Register [here](#).
- NPA Smart Skills: Public Speaking
 - Mizzou is an institutional member of the National Postdoctoral Association (NPA) and Mizzou's postdocs are entitled to free affiliate (individual-level) membership to NPA. Click [here](#) to obtain your free membership.
 - Tuesday, October 25, 2 pm. More details soon.
- Building Scientific Careers: A View from Europe
 - What are the career prospects for US-trained scientists in Europe? What are the future trends in recruitment? What are the future possibilities across the EU how might PhD students and post-docs secure them? Dr. Manolo Castellano is at the leading edge of new career trends by managing Talento Cientifico in his native Spain and in other EU countries. Previously a scientist and researcher in the US at Stanford and Rockefeller University, he currently helps other scientists to expand their professional horizons.
 - Note: This event is part of our efforts to provide global perspectives on the PhD market. Domestic and international students or post-doc are welcome.
 - Go to [versatilephd](#) for more information.
 - October 26, 10 am CT. [Zoom link](#).
- Participants and mentors needed for grant writing training
 - - ASCB's (American Society for Cell Biology) Faculty Research and Education Development Mentoring Program (aka FRED) provides year-long individualized feedback on grant proposals for senior postdocs and junior faculty from backgrounds underrepresented in STEM or at minority-serving institutions. We seek participants and mentors for this highly successful program. Click [here](#) for more info. Apply by March 24, 2023.
- The MU Graduate School offers in-person and online professional development workshops often in collaboration with campus partners. Postdocs are welcome to attend and take advantage of these resources.
 - [gradESSENTIALS](#)

Preparing Future Faculty Programs

- [Presidential Postdoctoral Fellowship Program - Virginia Tech](#)
 - Fellowships will be awarded in four tracks (Research Frontiers, Cybersecurity, Innovation Science Policy) each welcoming diverse applicants from various fields.
 - Deadline: November 15, 2022
- [Future Faculty in the Physical Sciences \(FFPS\) Fellowship - Princeton University](#)
 - - Deadline: November 15, 2022
 - Seeks a diverse cohort of early career scientists who will conduct research in physics, broadly defined to include the subdisciplines of astrophysics, biophysics, and geophysics and planetary physics, independently or in collaboration with Princeton faculty, postdoctoral researchers, and students.

Diverse Career Opportunities

- [Associate Director of NC Agromedicine Institute](#) – East Carolina University, Greenville, NC
 - - Master's degree and five (5) years of experience in agricultural safety and health, public, rural, behavioral, occupational, or environmental health, or agricultural and extension education.
- [Data Scientist](#) – Bayer, Chesterfield, MO
 - Bachelors degree with five years of experience, Masters degree with two years experience or Doctor of Philosophy (PhD).

NPA Career Center

- The National Postdoctoral Association Career Center allows employers to search for potential candidates and view their resumes while protecting the job seeker's privacy. Your contact information will only be provided to those you allow – eliminating the chances of receiving unsolicited emails and phone calls.
- [NPA Job Seeker Log-in](#)

Please do not hesitate to email me or click [here](#) to schedule an appointment to discuss grant writing, career opportunities, or any other matters concerning you.

Thanks,
Valli
