Dear MU postdocs,

Find below some useful information for you. Opportunities in [blue](#) are that I haven't shared before.

MU Postdoc Award & Grant Opportunities

- MU Postdoctoral Research Grant
 - The grant awards help defray the costs of conducting a clearly defined research project that is not financially supported by other grants, faculty members, or their department/division. The research project should be led by the postdoctoral scholar and represent a contribution to their independent research program.
 - Deadline: 5 pm on Tuesday, March 1. For more details and application materials, [click here](#).
- MU Postdoctoral Association Travel Awards
 - Post-docs may receive up to \$300 towards costs (limited to registration fees, lodging, and poster printing) for any Meeting/Conference and/or training program taking place from January 1st, 2022, to April 30th, 2022.
 - Deadline: 5 pm on Tuesday, March 1. For more details and application materials, [click here](#).

External Awards, Fellowships, & Prizes

- [Science & PINS Prize for Neuromodulation](#)
 - Awarded for innovative research that modulates neural activity through physical (electrical, magnetic, optical) stimulation of targeted sites in the nervous system with implications for translational medicine.
 - Entrants must be Junior investigators with an advanced degree received in the last 10 years and must be 45 years or younger as of 1 January 2022.
 - Deadline: March 15, 2022

Presentations

- [Bayer: An Overview of the Hiring Process](#)
 - The panel will describe what roles they fill at Bayer and what the hiring process is like. Listen as they give us insider tips about what Bayer looks for in job applicants and how to tailor your application to acquire a career with Bayer.
 - Thursday, Feb 24, 12-1:30 pm. [RSVP here](#).
- [The Latine Community and COVID-19: Nuances, Experiences, and Data](#)
 - MU postdoctoral scholar Dr. Aída R. Guhlincozzi joining Dr. Deshira Wallace from the University of North Carolina-Chapel Hill to share what Latines have experienced during the COVID-19 pandemic and recommendations to improve how data is collected in the future. This presentation will include information about how data collection and health outcomes relevant to Latines is dependent on place, space, and “race”.
 - Thursday, Feb 24, 3-4 pm. [Register now](#).
- [The Mental Health of Black Emerging Adults: An Overlooked Public Health Imperative](#)
 - By Prof. Kaleea Lewis

- Dr. Lewis was an MU postdoc & is currently holding a joint tenure track faculty position in the Department of Public Health (School of Health Professions) & Department of Women's and Gender Studies (College of Arts & Science).
- Friday, February 25, 11 am - 12:30 pm. [Register now.](#)
- Pursuing a Career in Academia
 - By MU postdoctoral scholar Dr. Alejandro Figueroa
 - Presented by the Mizzou Society for the Advancement of Chicanos and Native Americans (SACNAS) Chapter and the MARC/ IMSD Program. Dr. Figueroa's research examines how humans interact with and give meaning to their surroundings. He is also passionate about community engagement and science communication both in the US and in his home country of Honduras.
 - Wednesday, March 2, 4-5 pm. Tucker Hall, Room 18; [Sign in to RSVP.](#)
- Latinx and International Student Mentoring: Does Culture Influence Academic Relationships?

 - Thursday, March 17, 2-3 pm. [Register now.](#)

Workshops

- Responsive Proposals: Adapting to Fit Funder Priorities
 - Sarah Polasky, ORED's director of strategic proposal services, will discuss how to get to know a funder well and then tailor your proposal for specific funding opportunities and sponsor priorities.
 - Feb. 25, 12- 1 p.m. [Register now.](#)
- Teaching Statement Workshop

Arranged by the [MU Postdoctoral Association](#) and provided by the [Teaching For Learning Center](#)

 - In this very interactive session, we will walk step by step through a series of brief writing and discussion exercises that can help us compose a teaching statement. This should be useful for folks at various stages in writing their teaching statements; for example, those who have not really given them much thought as well as those who are revising existing drafts.
 - Thursday, March 3, 12-12:45 pm. [Zoom](#)
- Diversity Statement Workshop

Arranged by the [MU Postdoctoral Association](#) and provided by the [Teaching For Learning Center](#)

 - In this interactive session, we will discuss the diversity statement which can provide evidence of our commitment to diversity, our professional skills related to enhancing diversity and equity efforts, our own diverse experiences and perspectives, and our potential to contribute to an institution's mission and culture. Concrete examples and suggestions for writing individual statements will be shared.
 - Thursday, March 10, 12-12:45 pm. [Zoom](#)
- Core Curriculum Webinar: How to Develop a Daily Writing Practice
 - The University of Missouri is an institutional member of the National Center for Faculty Development & Diversity (NCFDD), and as such you get a free account. If you have not registered with NCFDD yet, click [here](#) to register.
 - Facilitator: Erin Furtak, PhD, University of Colorado at Boulder
 - Thursday, March 10, 1-2:30 pm. Register [here.](#)

Job Opportunity at Mizzou

- Nonresident taxpayers
 - The University of Missouri - Columbia campus provides discounted access to [Sprintax](#). The cost of preparing the federal return is covered by the University when a code is used. The code is 21UOMC750F. However, [Sprintax](#) will charge you directly for state tax returns. Their software will guide you through the tax return process and provide instructions on how to

submit the forms, both federal and state, and what to do if you owe additional tax or expect a tax refund.

- Nonresidents on F, J, M, and Q visas are also required to file [form 8843](#), even if no income was earned during the year. (If you had no income and only need to file [form 8843](#), you may use Sprintax, or file the form yourself by downloading it and mailing it on your own.)
- If you are unsure of your tax status for 2021, you may send an inquiry to umsharedservicesu1@umsystem.edu or you may begin the tax filing process with [Sprintax](#) as detailed above. The first couple of screens in their software will determine your tax residency for 2021 at no cost to you.

Please do not hesitate to email me or click [here](#) to schedule an appointment to discuss grant writing, career opportunities, or any other matters concerning you.

Best,

Valli
