

Postdoc Opportunities - 6/21/2022

Sarveswaran, Valli <v.sarveswaran@missouri.edu>

Tue 6/21/2022 10:45 AM

To: mupda-L@po.missouri.edu <mupda-L@po.missouri.edu>

Dear MU postdocs,

Find below some useful information for you. The new opportunities that I have not shared before are in blue.

[Annual MU Postdoctoral Survey](#)

The University of Missouri (MU) Postdoctoral Survey is conducted annually to collect data and assess the needs of postdocs on our campus. All postdoctoral scholars at MU are eligible to participate in this survey. This includes anyone who has a postdoctoral job title.

Click [here](#) to start the survey. The survey should take you approximately 5-10 minutes to complete.

Please complete it before Thursday, June 30, 2022.

[External Awards, Fellowships, & Prizes](#)

- **MU Postdoctoral Association Travel Awards**
 - Post-docs may receive up to \$300 towards costs for attending any Meeting/Conference and/or training program taking place from May 1st, 2022, to August 31st, 2022.
 - Deadline: 5 pm on July 1, 2022. For more details and application materials, [click here](#).
- Pandemic Preparedness Hub Postdoctoral Fellows – Stanford Medicine
 - Stanford University is recruiting outstanding postdoctoral fellows for an inaugural fellowship in Pandemic Preparedness.
 - Relevant disciplines may include epidemiology, community health, ecology, immunology, clinical-translational science, genetics, biomedical data sciences and health policy.
 - M.D. within 3 years of completion of clinical training or Ph.D. within 3 years of graduation as of September 1, 2022.
 - Deadline: July 1, 2022. Click [here](#) to apply.
- Various grants by the [American Society for Cell Biology](#) are now open! The deadline is August 15, 2022.
 - Grants for U.S. underrepresented minorities
 - Familycare grants
 - Grants for international attendees
 - Grants for LGBTQ+ community members
 - Grants for junior faculty at a primarily undergraduate institution
 - Grants for U.S.-based postdocs
- [PAIR-UP Imaging Science Program](#) for Black Imaging Scientists
 - The PAIR-UP Imaging Science Program is a consortium of Black Imaging Scientists who use/build/support advanced imaging techniques in the biomedical sciences. Please visit the PAIR-UP website to register for membership in PAIR-UP.
 - Eligibility: Principal Investigators (PAIR-UP Black Imaging Scientists): Biologists who require advanced imaging equipment, Engineers who develop imaging equipment,

chemists/biochemists who design fluorescent probes, computer scientists who develop software for image processing/analysis, machine learning and AI.

- See more funding opportunities [here](#) and search [Pivot](#). Pivot is a searchable database of funding opportunities that also helps identify potential collaborators. You can also create alerts based on keywords and areas of interest.

Presentations/Workshops

- Guest Expert Webinar: Rising Above Burnout
 - Faculty have been sharing experiences of burnout over the last two years, but this experience is not only confined to the COVID period. Many characteristics of the faculty role can contribute to feelings of burnout. This webinar will focus on some of the contributors to burnout in a faculty role and concrete steps that faculty can take to continue to find energy, satisfaction, and joy in their work.
 - Facilitator: Kristin Croyle, PhD, State University of New York at Oswego
 - The University of Missouri is an institutional member of the National Center for Faculty Development & Diversity (NCFDD), and as such you get a free account. If you have not registered with NCFDD yet, click [here](#) to register.
 - Tuesday, June 21, 1-2 pm. Register [here](#).
- NPA SmartSkills: Connecting for Career Success
 - Networking: the word alone can sometimes feel intimidating, but it doesn't have to be. In this interactive workshop we will discuss how you can reframe your approach to make networking productive and maybe even fun! Learn how to evaluate the support provided by your personal and professional connections and explore opportunities for strategically reaching out to new contacts to meet your current and future goals. Join us to understand how you can harness the power of connection to build and maintain a supportive professional network that will help you achieve success at all stages of your career!
 - Heather Dillon, M.Sc., postdoc career and professional development program manager, University of California, San Diego
 - Mizzou is an institutional member of the National Postdoctoral Association (NPA) and Mizzou's postdocs are entitled to free affiliate (individual-level) membership to NPA. Click [here](#) to obtain your free membership.
 - Tuesday, July 26, 2 pm. Register [here](#).
- NPA SmartSkills: Conflict Management
 - Details will come soon!
 - Mizzou is an institutional member of the National Postdoctoral Association (NPA) and Mizzou's postdocs are entitled to free affiliate (individual-level) membership to NPA. Click [here](#) to obtain your free membership.
 - Tuesday, July 26, 2 pm. Register [here](#).

Diverse Career Opportunities

- [Research Development Specialist](#) – University of California Santa Cruz, CA
 - Direct post-degree experience in related area of research (e.g., agriculture, climate science, coastal resilience, ecology, environmental justice).

- [Scientific Editor, Blood Cancer Discovery](#) – AACR - American Association for Cancer Research, MA
 - PhD in biomedical or clinical sciences

Free immigration consultations

- Attorney Bill Schiller from [Hughes Socol Piers Resnick and Dym, Ltd.](#) is available to the Mizzou international community for free immigration consultations. Consultations on visas or permanent residence are available 1–4 p.m. on Wednesdays. Email wschiller@hsplegal.com to schedule a virtual appointment.
- *Announcement sponsored by [MU International Student and Scholar Services](#)*

Please do not hesitate to email me or click [here](#) to schedule an appointment to discuss grant writing, career opportunities, or any other matters concerning you.

Best,

Valli
