

Postdoc Opportunities - 6/7/2022

Sarveswaran, Valli <v.sarveswaran@missouri.edu>

Tue 6/7/2022 10:55 AM

To: mupda-L@po.missouri.edu <mupda-L@po.missouri.edu>

Dear MU postdocs,

Find below some useful information for you. The new opportunities that I have not shared before are in blue.

Annual MU Postdoctoral Survey

The University of Missouri (MU) Postdoctoral Survey is conducted annually to collect data and assess the needs of postdocs on our campus. All postdoctoral scholars at MU are eligible to participate in this survey. This includes anyone who has a postdoctoral job title.

Click [here](#) to start the survey. The survey should take you approximately 5-10 minutes to complete.

Please complete it before Thursday, June 30, 2022.

External Awards, Fellowships, & Prizes

- Various grants by [American Society for Cell Biology](#) are now open! The deadline is August 15, 2022.
 - Grants for U.S. underrepresented minorities
 - Familycare grants
 - Grants for international attendees
 - Grants for LGBTQ+ community members
 - Grants for junior faculty at a primarily undergraduate institution
 - Grants for U.S.-based postdocs
- [PAIR-UP Imaging Science Program](#) for Black Imaging Scientists
 - The PAIR-UP Imaging Science Program is a consortium of Black Imaging Scientists who use/build/support advanced imaging techniques in the biomedical sciences. Please visit the PAIR-UP website to register for membership in PAIR-UP.
 - Eligibility: Principal Investigators (PAIR-UP Black Imaging Scientists): Biologists who require advanced imaging equipment, Engineers who develop imaging equipment, chemists/biochemists who design fluorescent probes, computer scientists who develop software for image processing/analysis, machine learning and AI.
- [COMPASS Outreach Grants](#)
 - ASCB members can apply for up to \$1,000 to promote science outreach projects such as student lab visits, science fairs, or other ideas for engaging the public. These activities are organized by the ASCB Committee for Postdocs and Students (COMPASS). Remaining 2022 deadlines: June 10 and September 16.
- See more funding opportunities [here](#) and search [Pivot](#). Pivot is a searchable database of funding opportunities that also helps identify potential collaborators. You can also create alerts based on keywords and areas of interest.

Presentations/Workshops

- SKILL #5: Moving from Resistance to Writing

- Facilitator: Mindi Thompson, PhD, University of Wisconsin - Madison
- The University of Missouri is an institutional member of the National Center for Faculty Development & Diversity (NCFDD), and as such you get a free account. If you have not registered with NCFDD yet, click [here](#) to register.
- Tuesday, June 9, 1-2 pm. Register [here](#).

- NPA SmartSkills: Connecting for career Success
 - In this interactive workshop, we will discuss how you can reframe your approach to make networking productive and maybe even fun! Learn how to evaluate the support provided by your personal and professional connections and explore opportunities for strategically reaching out to new contacts to meet your current and future goals. Join us to understand how you can harness the power of connection to build and maintain a supportive professional network that will help you achieve success at all stages of your career!
 - Speaker: Heather Dillon, M.Sc., postdoc career and professional development program manager, University of California, San Diego
 - Mizzou is an institutional member of the National Postdoctoral Association (NPA) and Mizzou's postdocs are entitled to free affiliate (individual-level) membership to NPA. Click [here](#) to obtain your free membership.
 - Tuesday, June 20, 2 pm. Register [here](#).

Diverse Career Opportunities

- [Director of STEM and Pre-Medical Professions](#) – University of Arkansas
 - Required: Master's degree
 - Preferred: PhD
- [Assistant Director of Contextual Education](#) – Boston University, MA
 - Graduate-level theological education and 3-5 years of experience.

Represent MU at the Science2Art Program

- The annual [Science2Art program](#) is a platform for regional scientists to display and describe their research through the arts.
- The curated artwork will be featured during our October 20, 2022, Annual Dinner at the Arvest Bank Theatre at the Midland.
- The researchers will have an opportunity to discuss their research in our annual [Science2Art video](#).
- Framed artwork will be auctioned, and the proceeds will be matched by BioNexus KC to benefit STEAM organizations.
- Deadline: Friday, June 17.

Please do not hesitate to email me or click [here](#) to schedule an appointment to discuss grant writing, career opportunities, or any other matters concerning you.

Best,
Valli
