To: MU PostDoc Scholars <gc_postdocscholars@missouri.edu>

Dear MU postdocs,

Find below some useful information for you. The new opportunities that I have not shared before are in [blue](#).

Postdoctoral Faculty Mentor Award

This award represents an appreciation for a MU faculty mentor who has demonstrated either a profound, sustained, or leadership contribution to improving the postdoctoral experience. The nomination must be made by a postdoctoral scholar. This is a great opportunity to acknowledge a faculty mentor who goes above and beyond to support you (mentee). Click [here](#) to see the details.

- The due date for the award is fast approaching (December 1, 2022).

MU Postdoctoral Research Grant

The grant awards help defray the costs of conducting a clearly defined research project that is not financially supported by other grants, faculty members, or their department/division. The research project should be led by the postdoctoral scholar and represent a contribution to their independent research program.

- Applications are due by Tuesday, November 1 by 5:00 PM. For more details and application materials, click [here](#).

- NPA Smart Skills: Career exploration
 - For many postdocs, career exploration can feel like an indefinite, never-ending challenge; how do you explore the unknown, learn about the vast number of career options available, and feel confident that you've identified a career that fits your needs and preferences? By reframing career exploration as a research project, postdocs can apply their well-developed skill set in designing a research question, collecting and analyzing data, and forming conclusions to the process of identifying careers of interest. In this workshop, you will dive into how to perform each part of the career research process, gain tips on how to collect career data, and develop a plan to manage your career research.
 - Mizzou is an institutional member of the National Postdoctoral Association (NPA) and Mizzou's postdocs are entitled to free affiliate (individual-level) membership to NPA. Click [here](#) to obtain your free membership.
 - Tuesday, September 27, 2 pm. Register [here](#).
