

Opportunities for Postdocs- 12/6/2022

Sarveswaran, Valli <v.sarveswaran@missouri.edu>

Tue 12/6/2022 10:51 AM

To: MU PostDoc Scholars <gc_postdocscholars@missouri.edu>

Dear MU postdocs,

The new opportunities that I have not shared before are in [blue](#). Some of the opportunities that appeared in the previous emails are still open. Click [here](#) to access previous emails.

External Awards, Fellowships, & Prizes

- Click [here](#) to access previously posted opportunities.
- See more funding opportunities [here](#) and search [Pivot](#). Pivot is a searchable database of funding opportunities that also helps identify potential collaborators. You can also create alerts based on keywords and areas of interest.

Presentations/Workshops

If you plan to attend any workshops, make sure to register (if there is a registration available) so that the organizers can update you with any last-minute changes.

- NPA - The Ins & Outs of Industrial Biomedical Careers
 - Three panelists will be answering these questions. Are you thinking about a career in industry after your postdoc training? Are you aware of the do's and don'ts of transitioning from academia to industry? What do you need to make it in the pharmaceutical and biotech industries? Is it possible to return to academia after your stint in industry? Are you still in doubt because of your immigration status?
 - Mizzou is an institutional member of the National Postdoctoral Association (NPA) and Mizzou's postdocs are entitled to free affiliate (individual-level) membership to NPA. Click [here](#) to obtain your free membership.
 - Wednesday, December 7, 12 pm. Register [here](#).
- MU Employee Assistance Program (EAP) hosts stress reduction classes
 - Click [here](#) for the EAP website and [here](#) for more information about each session.
 - Dec. 21, 12:00 p.m. — Managing in Times of Change
 - Remember, MU postdocs are eligible for services offered by MU Employee Assistance Program.
- NCFDD - Making the Most of Your NCFDD Membership
 - In this session, Dr. Lisa Hanasono will share a collection of classic and fresh ways to make the most of your NCFDD membership. In addition to highlighting some new and upcoming NCFDD resources, Lisa will present a variety of approaches and ways that individuals and their institutions can use their NCFDD memberships to boost their research productivity, improve their work-life balance, expand their professional networks, and more!
 - The University of Missouri is an institutional member of the National Center for Faculty Development & Diversity (NCFDD), and as such you get a free account. If you have not registered with NCFDD yet, click [here](#) to register. Click [here](#) to watch the previous workshops.

- Tuesday, January 17, 1 - 2:30 pm. Register [here](#).
- NCFDD - Intro to Academic Publishing Contracts & Negotiation Basics
 - Too often, academic authors receive an offer and contract from a university press and sign it without fully understanding what they are agreeing to, which can cause issues further in their careers. The objective of this webinar is to give you an introduction to the structure and language of university press contracts, as well as equip you with tips and tools on how to navigate the negotiation process. As the author and owner of valuable intellectual property, you should feel empowered to advocate for yourself and the rights to your work. Major points to be discussed, time permitting, include: grant of rights (Territory, Language, Type), advance and royalties, subsidiary rights, competing works, option clauses, copyright, termination, and rights reversion.
 - The University of Missouri is an institutional member of the National Center for Faculty Development & Diversity (NCFDD), and as such you get a free account. If you have not registered with NCFDD yet, click [here](#) to register. Click [here](#) to watch the previous workshops.
 - Tuesday, January 24, 1 - 2 pm. Register [here](#).
- The MU Graduate School offers in-person and online professional development workshops often in collaboration with campus partners. Postdocs are welcome to attend and take advantage of these resources.

Preparing Future Faculty Programs

- Propel Postdoctoral Scholarship
 - Launched in 2021, the Stanford School of Medicine's Propel Postdoctoral Scholars Program is a program for incoming and early postdoctoral scholars who come from backgrounds historically underrepresented in academia, and who have an interest in becoming faculty in the biological, biomedical, or population-based sciences.
 - Deadline: June 1, 2023
 - Apply [here](#).

Diverse Career Opportunities

- [Director – Office of Undergraduate Research](#) - University of North Carolina at Charlotte, Charlotte, NC
 - Minimum Qualifications
 - Doctoral or terminal degree.
 - Experience with undergraduate research in an academic setting working with students and with university and external stakeholders.
- [Lab Manager, Civil and Environmental Engineering](#) - University of Delaware in Newark, DE
 - Master's degree, PhD preferred, in civil, environmental, coastal, mechanical, or electrical engineering discipline, or a related technical or scientific field, and one year of technical and administrative experience in laboratory and field operations, or equivalent combination of education and experience.

NPA Career Center

- The National Postdoctoral Association Career Center allows employers to search for potential candidates and view their resumes while protecting the job seeker's privacy. Your contact information will only be provided to those you allow – eliminating the chances of receiving unsolicited emails and phone calls.
- [NPA Job Seeker Log-in](#)

Archived weekly emails

Please do not hesitate to email me or click [here](#) to schedule an appointment to discuss grant writing, career opportunities, or any other matters concerning you.

Thanks,
Valli
