

Opportunities for Postdocs- 2/28/2023

Sarveswaran, Valli <v.sarveswaran@missouri.edu>

Tue 2/28/2023 10:51 AM

To: MU PostDoc Scholars <gc_postdocscholars@missouri.edu>

MU Postdoc Award & Grant Opportunities

- MU Postdoctoral Research Grant
 - The grant awards help defray the costs of conducting a clearly defined research project that is not financially supported by other grants, faculty members, or their department/division. The research project should be led by the postdoctoral scholar and represent a contribution to their independent research program.
 - Applications are due by March 1 by 5:00 PM. For more details and application materials, click [here](#).
- MU Postdoctoral Association Travel Awards
 - Postdocs may receive up to \$300 towards costs (limited to registration fees, lodging, poster printing, and childcare) for any Meeting/Conference and/or training program taking place from January 1st, 2023 to April 30th, 2023.
 - Applications are due by March 1, 2023, by 5:00 PM. For more details and application materials, click [here](#).

External Awards, Fellowships, & Prizes

- [NOMIS & Science Young Explorer Award](#)
 - The NOMIS & Science Young Explorer Award recognizes and rewards early-career M.D., Ph.D., or M.D./Ph.D. scientists that perform research at the intersection of the social and life sciences.
 - Deadline: Mar. 15, 2023

Presentations/Workshops

- Grant Writing Crash Course: Finding External Funding for all Disciplines
 - Organized by MU Postdoctoral Association and presented by Dr. Liz Bent, Research & Grant Development Specialist, MU Graduate School
 - Tuesday, March 7th; 1 - 2 pm
 - Zoom Meeting ID: 926 1425 4700
- Process as AI Intervention: Using the Writing Process to Engage with Student Writing and Learning
 - Offered by the MU Teaching for Learning Center
 - Facilitated by Cheryl Hall.
 - 11 am-12 pm, March 8, 2023
 - Register [here](#).
- Strengthening Teaching and Learning Through OER
 - Offered by the MU Teaching for Learning Center
 - Dr. Robin DeRosa, Director of Learning and Libraries at Plymouth State University, will discuss the pedagogy that can emerge when we approach teaching and learning through the lens of open. Robin will offer a starting definition of “open pedagogy,” explore how such pedagogy relates to the use of OERs, and how access and social justice can supplant cost-savings as a dominant logic for course and program planning.
 - 10:30 am on March 9, 2023
 - Register [here](#).
- [Inaugural BIPOC in Biotech event in Chicago](#)

- Join BIPOC (Black, Indigenous, & People of Color) life science PhDs and Postdocs from across the Midwest for a one of a kind event: find a career, discover a community.
- RSVP deadline: March 10
- Thursday, March 30th, 2023 in Chicago (West Loop) Travel awards are available.
- [Show Me Research](#)
 - Show Me Research Week is a celebration of the exploration and discovery of research/scholarship/creative endeavors that make Mizzou a Tier 1 Research Institution. The heart of this week is the Spring Research & Creative Achievements Forum which will highlight and showcase research by Mizzou undergraduates, graduate students, and postdoctoral fellows.
 - April 18-22, 2023
 - [Register](#) by March 22, 2023, to participate.

[GoingGlobal](#) is available to you!

- Helps job seekers find opportunities both at home and abroad.
- Includes links to H1B visa info and company lists for international students, city and country guides for more than 120 international locations, and cultural overview and job search advice for non-native applicants.
- Includes access to CultureWizard, an online learning solution that helps people effectively engage with each other across cultures and countries.
- Only available in the on-campus network.

Diverse Career Opportunities

- [Associate Editor, Science Robotics](#) - Washington D.C.
 - Minimum requirements
 - A Ph.D. or D. Eng. in a related field such as mechanical engineering, electrical engineering, computer science, artificial intelligence, soft matter, bioengineering, and other areas related to robotics research
- [Director of Quantitative Skills](#), Connecticut College in New London, CT
 - Master's or Ph.D. degree, Ph.D. preferred, with commensurate experience in a STEM or other quantitative field.

Tax Filing Season is here!

- Click [here](#) to see the announcement in the previous emails about assistance in tax filing.

Previously shared opportunities that are still open can be viewed [here](#).

Please do not hesitate to email me or click [here](#) to schedule an appointment to discuss grant writing, career opportunities, or any other matters concerning you.

Thanks,
Valli
