### External Awards, Fellowships, & Prizes

- [Science & PINS Prize](#)
  - The Science & PINS Prize (\$25,000) is awarded for innovative research that modulates neural activity through physical (electrical, magnetic, optical) stimulation of targeted sites in the nervous system with implications for translational medicine.
  - Deadline extended, now: Mar. 29, 2023

### [SHARP Training Scholarship Awards for Trainees and Career Development](#)

- The SHARP Training program is committed to developing short, intensive training for researchers and investigators at all career stages to incorporate new knowledge, methods, and tools into our fast, ever-changing innovative health and research fields.
- Application deadline: March 7, 2023, at 11:59 pm ET.

### Show Me Research Week

- Show Me Research Week, organized by [Research, Innovation, & Impact \(RII\)](#), is a celebration of Mizzou researchers' accomplishments and showcases for all community stakeholders to see their investments come to fruition.
- The Show Me Research Week (April 17-21) is an opportunity for postdoctoral fellows to both present their research and be judges. Judging is not time intensive, and it would be a fun opportunity for the postdoctoral fellows to be involved. See more information [here](#).

### Tax Filing Season is here!

- Click [here](#) to see the announcement in the previous emails about assistance in tax filing.

Previously shared opportunities that are still open can be viewed [here](#).

Please do not hesitate to email me or click [here](#) to schedule an appointment to discuss grant writing, career opportunities, or any other matters concerning you.

Thanks,  
Valli
