

## Opportunities for Postdocs- 4/25/2023

Sarveswaran, Valli <v.sarveswaran@missouri.edu>

Tue 4/25/2023 10:39 AM

To: MU PostDoc Scholars <gc\_postdocscholars@missouri.edu>

### Winners of the 2022/23 Postdoctoral Awards and Grants

It is my pleasure to share with you the winners of the postdoctoral awards. These awards honor postdoctoral scholars excelling in teaching or research, and the dedication of one faculty mentor to postdoctoral education on our campus.

- Postdoctoral Teaching Award
  - Dr. Ferris Lupino, Kinder Institute on Constitutional Democracy
- Postdoctoral Research Award
  - Dr. Ramy H. Mohammed, Mechanical and Aerospace Engineering
- Postdoctoral Mentor Award
  - Prof. Paula McSteen, Department of Biological Sciences

Congrats to all winners!

### Presentations/Workshops

- [Empower 2023](#)
  - Celebrating Women Academic Entrepreneurship
  - Princeton University will host Empower 2023, a global conference and pitch competition celebrating women academic entrepreneurs on April 26-28, 2023 online.
  - The Empower 2023 Pitch Competition on April 27 will feature over \$135,000 of cash and in-kind prizes for the winners, including a first-place cash prize of \$100K and a bundle of in-kind legal services. Your ticket for Empower includes admission to the Pitch Competition.
- [Building Skills for a Successful Career](#)
  - The [Postdoc Academy](#) provides skill development for postdocs as they prepare to transition into their next career step. Using inclusive, active-learning approaches, participants will build skills to (1) inform your approach to leadership, (2) build and supervise a team, (3) manage projects, (4) apply teaching skills beyond the classroom, (5) develop strategic communication skills and (6) prepare successful job application materials.
  - The course is free except for those who require Verified Certificates.
  - Starts on June 5 and ends on July 24. Registration is open now.

### Diverse Career Opportunities

- [Managing Director, Purdue Engineering Research Centers](#) - Purdue University, West Lafayette, IN
  - Required: Master's Degree in engineering or relevant scientific discipline. A minimum of five (5) years of relevant experience in a research-related field. For example, experience working with research teams; as an administrator, research scientist, engineer, etc.
  - Preferred: PhD
- [Director of the Writing Center](#) - University of the Pacific, Stockton, CA
  - PhD in English, with a preferred concentration in Composition, Rhetoric, Writing Center Administration or Writing Studies.

Previously shared opportunities that are still open can be viewed [here](#).

Please do not hesitate to email me or click [here](#) to schedule an appointment to discuss grant writing, career opportunities, or any other matters concerning you.

Thanks,  
Valli
