### External Awards, Fellowships, & Prizes

- [Board-Certified International MSL Fellowship for the NPA's Postdocs](#)
  - "from SCIENCE to PHARMA" (FSTP) collaborates with the National Postdoctoral Association to provide their postdocs access to FSTP's international MSL fellowship.
  - Tuesday, May 23, 2 pm

### Presentations/Workshops

- [Maximizing Your Time \(As a Postdoc\)](#)
  - Postdoc appointments simultaneously offer great opportunities for growth and great demands on your time. How do you make sure you are using this limited window of opportunity effectively? In this class, we will cover time management at two different scales. First, you'll learn how to balance the day-to-day demands for your attention. Second, you'll gain insight into planning the trajectory of your training to make the most of a relatively short period in your career.
  - Tuesday, May 23, 2 pm
  - Mizzou is an institutional member of the National Postdoctoral Association (NPA) and Mizzou's postdocs are entitled to free affiliate (individual-level) membership to NPA. Click [here](#) to obtain your free membership.
- [NSF Virtual Grants Conference](#)
  - The National Science Foundation just opened registration for their virtual grants conference, which will be from June 5-8. There are some great sessions on proposal preparation, sessions specific to each directorate, and the review process that would be fabulous for anyone planning to apply to NSF!

### Featured Archived Presentation/Article

- [What Comes Next? Career & Life Choices After Your Postdoc](#)
  - Pre-recorded event by the National Postdoctoral Association
  - Being a postdoc, and eventually a postdoc alum, is only one part of who you are. Building a career is only one part of building a life. Making the right choices headed into your first permanent position, while balancing work and life demands, can be difficult. Peter Loge, whose career includes serving in senior staff positions in Congress and the Obama administration, writing a book explaining how soccer can make people better managers, and advising organizations ranging from American Farmland Trust and America's Funniest Home Videos to WickedCoolStuff.com and the World Wildlife Fund, will lead a conversation about how to build and balance your life and career.
  - Speaker: Peter Loge, M.A., M.S., associate professor of media and public affairs; associate director, School of Media and Public Affairs, The George Washington University; strategic consultant
