### From the Office of Postdoctoral Education

- [MU Postdoctoral Faculty Mentor Award](#)
  - This award represents an appreciation for a MU faculty mentor who has demonstrated either a profound, sustained, or leadership contribution to improving the postdoctoral experience. The nomination must be made by a postdoctoral scholar. This is a great opportunity to acknowledge a faculty mentor who goes above and beyond to support you (mentee). Click [here](#) to see the details.
  - The due date for the award is (December 1, 2023).

### External Awards, Fellowships, & Prizes

- [ASHG-NHGRI Genetics Education and Engagement Fellowship](#)
  - Deadline: November 30, 2023

### Presentations/Workshops

- [Advancing antiracism, diversity, equity and inclusion in STEMM organizations](#)
  - The National Academies of Sciences, Engineering and Medicine developed a consensus report, titled "[Advancing Antiracism, Diversity, Equity and Inclusion in STEMM Organizations: Beyond Broadening Participation](#)", that synthesizes the existing body of research on antiracism, diversity, equity and inclusion (ADEI) in STEMM organizations and provides guidance and a set of recommendations for stakeholders across the STEMM enterprise to build ADEI into existing systems. Join us to explore the report's key takeaways and their relevance to graduate students and postdocs.
  - 11 am – 12:30 pm; Mon, Nov 27, 2023
- [The ins & outs of transitioning from a postdoc to the biomedical field](#) – By National Postdoctoral Association
  - Are you thinking about a career in industry after your postdoc training? If so, what do you need to make it? How can you apply your skills as a scientist in the pharmaceutical and biotech industries? Do you think this is a possible career path for international postdocs?
  - In this event, former postdocs share their experiences transitioning to a professional career in the biomedical field and will answer these and other questions. Join our panelists Leanne M. Low, Ph.D. (senior medical writer, Oxford PharmaGenesis), Ana T. Nogueira, Ph.D. (program manager, Clinical Pharmacology, Modeling and Simulation at Allucent), and Zarna R. Pala, Ph.D. (assistant director, Biological Sciences Graduate Program, University of Maryland). Together they bring their experiences as former international postdocs, navigating the immigration process, starting a professional career leveraging on their scientific training skills.
  - Mizzou is an institutional member of the National Postdoctoral Association (NPA) and Mizzou's postdocs are entitled to free affiliate (individual-level) membership to NPA. Click [here](#) to obtain your free membership.
  - 12 pm; Thu, Dec 7, 2023
