# OPPORTUNITIES FOR POSTDOCS

May 7, 2024

### External Awards, Fellowships, & Prizes

- [NOMIS-ISTA Fellowship Program](#)
  - The NOMIS-ISTA Fellowship Program provides postdocs with the freedom to work on big unanswered questions and high risk research at the intersection of two or more scientific disciplines. ISTA offers an enabling and collaborative environment, with dedicated mentorship from world-class, established scientists, on the outskirts of Vienna.
  - Deadline: June 13, 2024
- [Eppendorf & Science Prize for Neurobiology](#)
  - Deadline: June 15, 2024
- [Individual Fellowship and Career Development Programs Supported by NIGMS](#)
  - As graduate students and postdoctoral scholars, you may find yourself searching for opportunities to support the current or next stage of your research training. NIGMS has a long history of fostering research training and developing a strong biomedical research workforce through a variety of programs at all education levels.
  - Most programs have three receipt dates a year, but you should always check the NOFO for specific deadlines.
- [KAUST \(King Abdullah University of Science and Technology\) Global Fellowship Program](#)
  - This is an opportunity for exceptional postdocs with groundbreaking ideas to advance Saudi's research priorities. The program has access to cutting-edge research tools, top-notch facilities and expert mentorship.
  - Deadline: July 1, 2024
