# OPPORTUNITIES FOR POSTDOCS

June 25, 2024

### [Annual MU Postdoctoral Survey](#)

- The University of Missouri (MU) Postdoctoral Survey is conducted annually to collect data and assess the needs of postdocs on our campus. All postdoctoral scholars at MU are eligible to participate in this survey. This includes anyone who has a postdoctoral job title. Click [here](#) to start the survey. The survey should take you approximately 5-10 minutes to complete. MU Postdoctoral Association (MUPA) is offering a newly designed MUPA water bottle for the first 50 MU postdocs who complete the survey.
  - Please complete it before Friday, August 23, 2024.

### **External Awards, Fellowships, & Prizes**

- Fulbright U.S. Scholar Program
  - Fulbright program invites you to refer your graduate students and postdocs to apply to the Fulbright U.S. Scholar Program. Fulbright welcomes academics and professionals from all disciplines, locations, and identities. They are selected for their academic merit and leadership potential to teach, research, and exchange ideas.
  - [The referral form](#) provides a simple way for you to recommend up to five individuals who you think would be great candidates, and the program will encourage them to apply.
  - When you provide the Fulbright Program with the names and email addresses of your graduate students and postdocs, they will receive an automatic email from a Fulbright Program staff member. This message will provide them with helpful contacts, application guidelines, details on award offerings...and the acknowledgment that an anonymous colleague thinks they would be a great fit.
  - [Here are all of the Postdoctoral Awards on fulbrightscholars.org](#). The Fulbright Program also had a dedicated [webinar for Postdoctoral and Early Career Awards](#), with some great alum stories!
  - Please contact Julia Lieber, Ph.D. [jlieber@iie.org](mailto:jlieber@iie.org) for any questions.
