OPPORTUNITIES FOR POSTDOCS

August 6, 2024

[Annual MU Postdoctoral Survey](#)

- The University of Missouri (MU) Postdoctoral Survey is conducted annually to collect data and assess the needs of postdocs on our campus. All postdoctoral scholars at MU are eligible to participate in this survey. This includes anyone who has a postdoctoral job title. Click [here](#) to start the survey. The survey should take you approximately 5-10 minutes to complete. MU Postdoctoral Association (MUPA) is offering a newly designed MUPA water bottle for the first 50 MU postdocs who complete the survey.
 - Please complete it before Friday, August 23, 2024.

External Awards, Fellowships, & Prizes

- [Maximizing Opportunities for Scientific and Academic Independent Careers \(MOSAIC\) Funding Opportunities and Upcoming Webinar](#)
 - MOSAIC, an NIH-wide initiative that NIGMS oversees, has two components: a postdoctoral career transition award (K99/R00) and a cohort-based mentoring and career development program that supports the scholars (UE5 research education cooperative agreement).
 - Deadline: October 12, 2024

Resources

- [Career Cognitive City](#)
 - Career Cognitive City (aka Career CogCity) is an interface designed to support current, prospective and past graduate bioscience trainees. It was designed with graduate students in mind, but equally beneficial to postdoctoral fellows and those thinking about or recently admitted to bioscience graduate programs. Career CogCity is an integrated hub collating various types of resources - not only peer-reviewed literature, but also books, podcasts, games, simulations, internships, fellowships, networking communities, and online platforms. Career CogCity is part of the Career Navigator Network built and maintained by Harvard Medical School.
 - Click [here](#) to find out how to use Career CogCity.
