

# Core & Elective Course Options for the Minor in College Teaching (MICT)

---

This document outlines the approved core, elective, and practicum course options for completing the Minor in College Teaching (MICT) at the University of Missouri. All courses must be approved as part of your [Graduate Minor Plan of Study](#). For additional details, please consult the MICT program coordinator.

## Core Courses (3 Credit Hours)

Choose one of the following core courses to fulfill the 3-credit-hour core requirement:

- ED LPA 9448: College Teaching (offered Spring)
- AG ED 8350: College Teaching of Agriculture (offered every other Spring)
- BIO SCI 8724: College Science Teaching (offered Fall)

## Elective Courses (3–6 Credit Hours)

Select 3–6 credit hours of electives from the following categories. Consult with your advisor and program coordinator to ensure your selections align with your goals.

### Teaching with Technology

- IS LT 9484: Teaching Online Courses (offered Fall)
- IS LT 9485: Designing Online Learning (offered Fall)
- IS LT 9440: Learning with Web-based Technologies (offered Fall)
- IS LT 9467: Technology to Enhance Learning (offered Spring and Fall)

### Higher Education Topics

- ED LPA 9440: Race, Gender, and Ethnicity in Higher Education
- ED LPA 9456: The Professoriate
- ED LPA 9447: College Student Culture and Environment
- ED LPA 9455: The Community College
- ED LPA 9459: Comparative and International Education

### Discipline-Specific Teaching

- BIO SCI 8725: Science Outreach – Public Understanding of Science
- ENGLISH 7650: Principles of Teaching English as a Second Language
- PHIL 8210: Teaching of Philosophy
- SPC ED 7375: Cross-Categorical Special Education
- NURSE 8850: Teaching Nursing
- AN SCI 8725: Science Outreach – Public Understanding of Science

## Practicum Course Options

The teaching practicum is a required component of the MICT and may be embedded within an approved elective course or completed as a standalone experience. Below are practicum course options:

- AG ED 8995: Agricultural Education Teaching Practicum
- COMMUN 8220: Seminar in Communication Education
- EL 9481: Internship in Educational Leadership & Policy Analysis
- H D FS 9100: Human Development & Family Studies Teaching Practicum
