OPPORTUNITIES FOR POSTDOCS

February 25, 2025

From the Office of Postdoctoral Education

- NPA Seeks Impact of New Federal Policies on Postdocs
 - The NPA (National Postdoctoral Association) encourages our postdocs to complete [this survey](#) to better understand how you have been affected by the policy changes of the new presidential administration.
 - Although NPA ask you to provide a name and email so they can connect with you to better understand your situation, the survey can be completed **anonymously**. While NPA asks you to complete the survey by **Friday, February 28**, but information is valuable the sooner the better.
- [MU Postdoctoral Research Grant](#)
 - The grant awards help defray the costs of conducting a clearly defined research project that is not financially supported by other grants, faculty members, or their department/division. The research project should be led by the postdoctoral scholar and represent a contribution to their independent research program.
 - Applications are due by Monday, March 3 by 5:00 PM. For more details and application materials, click [here](#).
